

## THE SERGEANT BLUFF

# HORIZON

### HOMESERVE

A non-endorsed company with a similar name to HomeServe USA has sent out letters offering sewer and water line insurance protection. The City has worked only with HomeServe USA to negotiate the lowest rates possible for residents. If you receive a letter from HomeServe USA look for the City Logo or simply go to their website at:

### PROTECT YOUR MAILBOX

Protect your mailbox from being mistakenly damaged by a snow plow during this winter season. The Public Works Department recommends that your mailbox adhere to the USPS guidelines for mailboxes.

- Position your mailbox 41" to 45" above ground level.
- Place your mailbox 6" to 8" back from the curb. If you do not have a raised curb, contact your local postmaster for guidance.

### BE AWARE OF SOLICITORS

All solicitors must have a valid Peddler's License issued by the City of Sergeant Bluff to go door to door and operate in town. Issuance of a permit does not imply an endorsement on behalf of the City. If a solicitor knocks on your door, ask to see their License issued by the City of Sergeant Bluff. If the solicitor cannot show you a license, they are not licensed to solicit in Sergeant Bluff and we recommend that you do not let them in your home.

Solicitors can solicit only on the days applied for and during the hours of 8:00 a.m. through 5:00 p.m. If you feel threatened or coerced by a solicitor, please call the Sergeant Bluff Police Department immediately at (712) 943-9603 OR (712)-279-6510.
