

AUTOMATIC PAYMENT OF UTILITY BILLS

The automatic payment plan is a convenient way to pay your utility bill. Simply authorize payment by signing this form and Pioneer Bank will automatically withdraw your monthly utility payment from your checking account.

Each month you will receive a copy of your utility bill if requested. On approximately the 20th of each month we will notify Pioneer Bank of the amount due. They will deduct that amount from your checking account. The deduction will show up on your regular bank statement, as well as your next utility bill from us.

I authorize the City of Sergeant Bluff to charge my checking account the amount of my city utility bill. This authority will remain in effect until revoked by Pioneer Bank or in writing by the City of Sergeant Bluff or me.

Also, I agree that if any charge to my account is dishonored, for whatever reason, I am still obligated to pay for that utility service, and the City of Sergeant Bluff remains the collection and disconnection rights.
