DID YOU KNOW?

Did you know that any vehicle parked on the street must be moved at least once every twenty-four (24) hours? (Ord 69.06) The City is actively enforcing this ordinance, you will receive a ticket and potentially have your vehicle towed if this ordinance is violated. When you leave for vacation, please find off-street parking or leave your keys with a trusted neighbor or friend to regularly move your vehicle.

In addition, during the winter after a snowfall of 2 inches or more, you must move your vehicle off the street for a minimum of 48-hours to provide time for City crews to clear the streets of snow (Ord. 69.10).

WATER RATE CHANGES

New water rates are now in effect and are reflected in this current bill (Ord. 689). The basic service charge has increased from \$16.50 per month to \$18.15 per month and the usage charge has changed from \$5.50 for every 1,000 gallons of water to \$6.05 for each 1,000 gallons.
