PROGRAM TERMS AND CONDITIONS

This rebate program is being offered by City of Sergeant Bluff which will be referred to as "The Utility" throughout this document.

Limit one appliance type per dwelling unit per year. Applicant must be a current customer of The Utility, and The Utility must provide the primary fuel for which the rebate is being offered.

The Utility does not guarantee that the installation and operation of energy efficiency equipment will result in reduced usage or demand or in cost savings. The Utility makes no warranties, expressed or implied, with respect to any equipment purchased and/or installed, including, but not limited to, any warranty of merchantability or fitness for a particular purpose. In no event shall The Utility be liable for any incidental or consequential damages or injuries resulting from defective equipment or installation.

The rebates are offered on a first come, first served basis. The Utility reserves the right to cancel or change these programs at any time. The Utility's acceptance of this application does not guarantee payment of the incentive. Prior to any payment of rebates, The Utility reserves the right to verify sales transactions.

The Utility will not be responsible for any tax liability that may be imposed on the customer as a result of the payment of rebates.

The Utility does not endorse any particular manufacturer, product, system design, claim or retailer in promoting this program.

**READY TO SAVE MONEY
AND REDUCE ENERGY
CONSUMPTION?
HERE'S HOW:**

First refer to this brochure, or contact:

City of Sergeant Bluff
To learn about program details and to learn
what rebates are available.

Then select equipment based on the energy
rating and terms and conditions shown in
this brochure. **Only approved equipment is
eligible for energy efficiency rebates.** After
purchasing and installing qualifying equipment,
please follow these simple instructions:

1. Equipment must be installed in a home
where primary fuel saved is provided by: City
of Sergeant Bluff
2. **After equipment is installed and
operating**, complete this Equipment
Application, including signature(s).
3. Attach a sales receipt from your dealer,
including manufacturer's name, model/serial
number of equipment purchased and
installed.
4. Rebate applications must be returned to
City Hall within one year of purchase date
(as shown on purchase receipt) to qualify for
the rebate program.

Please allow 6-8 weeks for payment.
Payment processing may take longer if
information is missing on the application.

**THANK YOU FOR PARTICIPATING IN THE
ECO@HOME RESIDENTIAL EQUIPMENT
PROGRAM.**

AIR CONDITIONING & HEAT PUMP INCENTIVE PROGRAM
