

HORIZON

SNOW SHOVELING

Whether you're a tenant or property owner, you are required to shovel your sidewalk within 24 hours after a snowfall. City ordinance requires property owners to remove snow, ice, drifting snow and any accumulations promptly from the entire public sidewalk abutting their property (Ord 136.03). If a property owner does not remove the ice or snow within a reasonable time (24 hours) the City may remove the accumulations and charge for the cost.

Ultimately property owners and landlords are responsible for ensuring that the sidewalk is shoveled, regardless of whether or not a tenant complies by performing the duty themselves. The City enforces this code for the safety of pedestrians and school age children who utilize sidewalk for a safe walkway to their destinations.
