CALL BEFORE YOU DIG

Whether you're trenching in a field, planting a tree or digging a foundation, Iowa law requires everyone to locate underground utilities before digging. First, notify Iowa One Call to begin the process, then wait 48 hours (excluding Saturday, Sunday and legal holidays) BEFORE any digging begins. Call 811 before you dig. This service is FREE and it's the law!

DO YOU NEED A PERMIT?

Permits are required for many building projects, such as installing a fence, driveway, or sidewalk, doing plumbing or electrical work, installing a new furnace/HVAC, putting on a deck, demolition of structures and more. Please review those requirements and receive a permit before starting any new project by visiting: <http://cityofsergeantbluff.com/government/building-inspector/>
