

THE SERGEANT BLUFF

HORIZON

GRASS LENGTH

Please do your part as a good neighbor and cut your grass. If you will be out of town, please arrange for someone to maintain your yard. City ordinance requires every property owner to cut, mow, and maintain all grass upon the owner's property. In addition, no grass dumping is allowed except at the City Compost site, for free. It shall be presumed that a health, fire, or safety hazard exists when weeds or grass is in excess of ten (10) inches in length (Ord. 52.02). This ordinance applies to scrub trees, weeds, and grass.

NO GRASS CLIPPINGS IN STREET

When you cut or mow your grass, please ensure that you correctly dispose of the grass clippings. It is unlawful to push grass and yard debris into the street (Ch. 135.03). Pushing your grass and other yard debris into the street may clog the storm sewer. It is free for residents to utilize the compost site to dispose of yard waste. Stop by City Hall to get your pass.

BRICKYARD SAFETY MESSAGE

Message from Rick Whitesell of Glen-Gery:

"As the weather has gotten nicer kids are starting to get out of the house and spend time enjoying outdoor activities. In recent weeks we have noticed several different groups of kids exploring up in the hills behind our clay mine. The brickyard is private property and there is no trespassing. More importantly please stress the dangers that can be encountered near the mine site. The edges and surrounding banks are soft this time of year and can be prone to potential land sliding. We are committed to keeping our employees safe and want to keep that same commitment to the people within the Sgt Bluff Community. While we encourage kids to get out and be activity we also want to ensure safety is a priority."
