

PROJECT: **1<sup>st</sup> Street Reconstruction & Beautification**  
C Street to Port Neal Road

CONTRACTOR: Sioux City Engineering Company  
5000 S. Lewis Boulevard  
Sioux City, IA 51106  
(712) 255-7683

## GENERAL PROJECT INFORMATION

The City of Sergeant Bluff would like to announce the closure of **1<sup>st</sup> Street from just east of C Street to Port Neal Road to begin the planned reconstruction and beautification of 1<sup>st</sup> Street.** The project includes full replacement of pavement with new curb and gutter, new storm sewer piping and intakes, water main extension, new stoplights at D Street, new medians, replacement of sidewalks, new trail, decorative trail lighting, and other beautification features.

**The Contractor will commence work on or about Monday April 19, 2021 on the west end of the project and work their way east.** Completion is anticipated by October 2021.

## CONSTRUCTION DETOUR INFORMATION

The roadway will be closed from C Street to Port Neal Road. The detour route is designated on the attached map. All traffic will be routed to C Street, 8<sup>th</sup> Street, and S. Lewis Blvd. Alternate routes exist for local traffic and may be utilized but please do not ignore closure barricades. Business access will be provided on both ends of the project and signage will be placed to help direct traffic.

No Parking signs will be placed on the south side of Frontier Street, the north side of Topaz Drive (from Sergeant Square to Port Neal), and the east side of C Street between 1<sup>st</sup> and 2<sup>nd</sup> Street to accommodate the anticipated detour traffic.

The Sioux City Transit bus stop will temporarily move from out front of Subway on 1<sup>st</sup> Street over to C Street near the alley between 1<sup>st</sup> and 2<sup>nd</sup> Streets. The temporary bus route will be along 2<sup>nd</sup> Street over to Front Street and onto Lewis Boulevard. No Parking signs will be placed on the south side of 2<sup>nd</sup> Street to accommodate the temporary route.

Businesses or citizens may contact the City or McClure Engineering Co. at any point during construction for more information regarding the project schedule and detour information. A McClure Engineering Co. Project Inspector will also be on-site daily if you have questions or concerns. Project contacts are listed below:

Jason Kvidera  
City Project Manager  
City of Sergeant Bluff  
(712) 943-9602
