

HORIZON

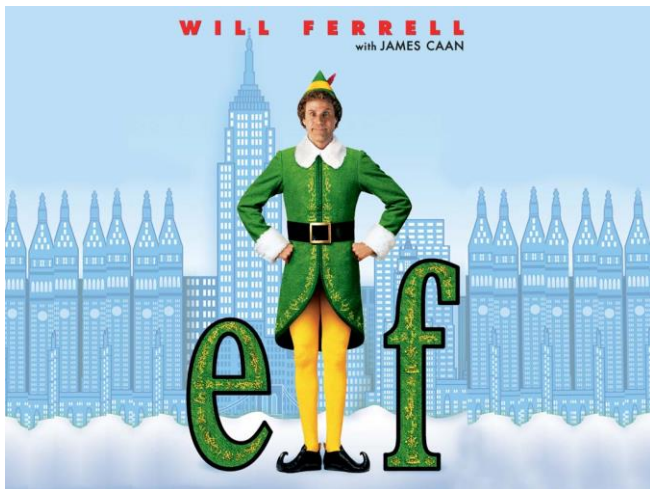

BE SAFE AT NIGHT

When it's dark outside or visibility is low, please be sure to wear bright and reflective clothing and gear when walking, running, or traveling outdoors. Whether you're a cyclist, pedestrian, or jogger, the right kind of safety clothing can make the difference between being seen and being involved in a tragedy. When you wear reflective gear, you avoid appearing "invisible" to drivers, especially at low light periods of the day and night.

MOVIE NIGHT ON DEC 18th

A movie night will be held on Saturday, December 18th at the Community Center (903 Topaz Drive) from 6pm to 9pm for a showing of the movie "elf". This event is open to families. Popcorn and lemonade will be provided - while supplies last.

CHRISTMAS TREE PICKUP

The Sergeant Bluff Public Works Department will be picking up Christmas trees* that are left at the curb from December 27th through January 7th.

*This does not apply to artificial trees.

PLEASE LOCK YOUR VEHICLES

In the past two weekends, there have been several burglaries to motor vehicles in the Wilde and Roundtable areas. The Sergeant Bluff Police Department would like to remind residents that vehicles should be locked at all times, especially if there is anything of value in their vehicles. If anyone has seen unusual activity in the neighborhood during the week of November 5th to November 13th, please contact the Sergeant Bluff Police Department with any details that could help with the case.

The Sergeant Police Department would also like to ask residents with exterior security cameras, ring doorbells or any other video recording system that would be willing to assist us in future investigations that affect their neighborhoods to contact the SBPD. The SBPD would like to build a map of known cameras to facilitate investigations. We would only contact the owners of the systems if we needed to request a copy of the videos for criminal activity.

Contact Sergeant Bluff Police Department at 712-943-9603 (M-F, 9-5) or Assistant Chief Rosendahl, brentr@cityofsergeantbluff.com.

- Food Pantry – 3rd Sat. of each Month 8-11pm

HORIZON

CLEARING STORM DRAINS

It is important that we as a community try to help prevent leaves from blocking our storm drains. Storm drains are a crucial part of the storm sewer system, it is important to keep them clear of leaves and any other debris. Even if you do not live next to a waterway, leaves that pile up in your street and storm drain will end up impacting nearby waterways.

The city needs your help to keep all of the storm drains clear to prevent flooding. Water backups often cause big problems. After a storm or a windy day, be sure to check outside your home for storm drains that may be covered by leaves and debris. Rake the leaves from your yard, parking strip, and sidewalk and put them in the compost bin, or use them on your garden for mulch. If the drains along the street edge or sidewalk become clogged, water can back up into your yard, driveway, and home. Sometimes clogged drains contribute to flooding across entire streets in a neighborhood. Work with your neighbors to clean out the leaves and prevent your street and surrounding areas from flooding.

MERRY AND BRIGHT
