

City of Sergeant Bluff

501 4th Street PO Box 703
Sergeant Bluff, IA 51054
(712) 943-9617

The City of Sergeant Bluff has created a Stormwater Advisory Committee, a volunteer public committee with the City of Sergeant Bluff, established in accordance with the requirements of the State of Iowa Department of Natural Resources National Pollutant Discharge Elimination System Permit (MS4). The Stormwater Advisory Committee provides input concerning appropriate stormwater management policies and programs, best management practices and funding sources with the primary purpose to minimize increases in stormwater runoff, pollution, and soil erosion to improve the quality of our waterways.

The Stormwater Advisory Committee consists of five (5) members who have an interest in stormwater matters, who have attained the age of 18, and who reside within the corporate limits of the city. The Committee shall also include the City's Stormwater Coordinator as the ex-officio, non-voting Chairman of the Committee. Other Committee members shall be appointed by the Mayor with the consent and approval of the Council.

Review and Comment on MS4 Compliance and Status. The Committee shall have authority to review and comment on the City's reporting activities related to compliance with the Iowa Department of Natural Resources Annual Permit.

Provide a Forum for Public Input on Stormwater Quality Related Issues. The Committee will serve as a public forum for fielding input on stormwater-related issues within the community to enhance the City's understanding of community support for activities related to stormwater quality management.

Hold public hearings. The Committee may hold public hearings on any of the stormwater issues and recommendations considered by the Committee.

Work with volunteer groups. The Committee may collaborate with volunteer groups including business representatives, developers, homeowners, environmental groups, and members of the public at large to address stormwater issues of interest and promote public education and engagement.

If you are interested, please fill out the form and return to the Sergeant Bluff City Hall for review.

Sincerely,

Dan Hospers
Storm Water Coordinator
