REVENUE & EXPENDITURE REPORT

Discussed a question Angie had.

1. Sergeant Bluff Community Center

    a) Had 4 different roof companies come out and look at repairing the roof. The main problem is the screws and washers that were originally used to build the building are metal and they have basically disintegrated. Waiting to hear back from the roofing companies on prices to repair just the screws or the whole roof.
    b) Meeting with the Fire Chief next week to discuss getting the new fire alarm system installed and be up to code.
    c) Tomorrow there will be a fall craft in the Fireside room from 6 to 7pm and then at 7:30pm Halloween will be shown in the gym. Next Saturday is Spooky Fest and that will run from 2 to 4pm and then the Trick-or-Treat trail will follow Spooky Fest. There are 16 businesses signed up to pass out candy. Normally have around 20 businesses.

2. Recreation

    a) Fall sports went well. Ran into the issue of not having enough refs towards the end of the season. So, Tyler and Nick had to come in and help ref games.
    b) Basketball registration is open and so far, there are already 20 kids signed up. Normally have around 160 kids register. Basketball will run through the middle of December.

3. Parks

    a) Spoke with Aaron Lincoln this morning about Kiwanis Park and they met with contractors on Monday to go through the different problems they are having so they are waiting to hear back from those contractors on bids to fix the issues.
    b) Fixed some concrete pads on the complex trail and will also be fixing the sidewalk over by the splashpad.

4. Pool

    a) Pool is closed for the season, and they will start the hiring process in January.

5. Other

    a) Went through project list and crossed off projects that have already been completed. Discussed the project list to decide what to bring to Council for the joint meeting.

OPEN DISCUSSION
