

In light of the Emergency Proclamation issued by Mayor Winkel and the Governor's prohibition of community gatherings of more than 10 people, all Parks Board meetings going forward shall be conducted by electronic means. An in person meeting is impossible or impractical due to the public health threat of the Novel Coronavirus 2019 ("COVID-19") as those who need to participate or may have interest to participate would result in a gathering of more than 10 people. For good cause, the Parks Board shall defer having a public meeting at the Community Center until further notice. As an alternative, the Parks Board meeting scheduled on May 6th at 5:30 pm shall be conducted by electronic conference call which shall allow for public access to the extent reasonably possible through the internet and phone:
