

In light of the Emergency Proclamation issued by Mayor Winkel all Parks Board meetings going forward shall be conducted by electronic means. An in-person meeting is impossible or impractical due to the ongoing public health threat of the Novel Coronavirus 2019 (“COVID-19”). Electronic meetings preserve the City’s safe operation and will be continued as a public health measure to avoid gatherings of diverse groups that could risk the health of those who need to participate or may have interest to participate. For good cause, the Parks Board shall defer having a public meeting at the Community Center until further notice. As an alternative, the Parks Board meeting scheduled on September 16 @ 5:30 PM shall be conducted by electronic conference call which shall allow for public access to the extent reasonably possible through the internet and phone:
